Lauren Rich of **Rich PR** is **back**—this time bringing you the best solutions for what-to-wear under those summer clothes. Read on to see what secrets she lets us in on this time. . .

From Lauren:

Now that the season of clingy summer dresses, skirts, tanks and tees is upon us, it's time to get creative with what to wear under there (and what to pack on Summer travels!) No one wants to be a victim of VPL (visible panty lines), VBL (visible bra lines), lumps and bumps, or worse – the dreaded muffin top. Below, our picks for the best pieces to keep you looking and feeling confident and fabulous this Summer!

Perfection – To a Tee

Every woman's lingerie wardrobe staple: the T-Shirt Bra. And this one (pictured above) does not disappoint. Made of silky smooth nylon/spandex, **Affinitas Intimates'** "Amanda" T-Shirt Bra not only gives you a smooth appearance under the clingiest of tee's, but also converts into Racerback, Halter, One-Shoulder and Strapless styles. On sale now at **HerRoom.com** for just \$14.99, get 'em before they're gone!

Go Seamless

If your bra is completely visible through your shirt, four words: keep it to yourself. Unless you're Lady Gaga, the only time one should be able to see your bra – in all it's glory – is in the bedroom. For the rest of us, a go-to seamless bra is an absolute must. And **Affinitas Intimates** once again grabs our attention with their seamless "Grace." All styles are made from laser cut, one-piece fabric (as opposed to being pieced together from multiple pieces of fabric) and are stitch free, seam free and label free. The T-Shirt, Balconet and Plunge Push-Up bras are all convertible with molded cups, while the Grace Hipster doubles as a light shaping piece. Practically, perfect. On sale for just \$6.99 – \$14.99 at **HerRoom.com**.

Discreet Packaging

Sometimes good things do come in small packages. Measuring at just 4" x 4", Affinitas' new **Packaged Panties** make the perfect travel companion – discreet enough to bring just about anywhere. Tuck a pack into your gym bag for a fresh pair post-workout, stash a pack at the boyfriend's, toss one into your overnight bag for a weekend away, or throw a few packs into your luggage or carry on for that summer getaway – and never worry about security going through your unmentionables again! Take your pick of hipster or thong and two color palettes, in One Size (fits most, approx 0 – 8). \$28.00 for a pack of three. Retailers, AffinitasIntimates.com.

Care Tip – You CAN Wash Your Bras in the Washing Machine!

With the new **Berry Ball & Bag**, a complete care solution set for lingerie that lets you wash her bras, underwear, hosiery, socks even swimwear in the washing machine. Say good-bye to tangled and crushed bras, stretched and twisted hosiery, snagged bathing suits, and lost socks! The Berry Ball & Bag saves you valuable time by letting you wash your lingerie & swim in the washing machine, while yielding a delicate, hand wash result. (Travel tip: Use as a packing tool to prevent bras from being crushed during summer travels!) \$13.99 at ComfortHouse.com.
