Do You Really Want to be Naked in Public?

20 wardrobe solutions that are chicer than a paperclip. -Brittany Roshelle Davis

Imagine that walking into the office, you know that your pant legs are drenched in cold, wet slush. You settle into your desk anyway and are about to take a sip of steaming hot coffee, when your assistant informs you that your nips are showing. Your face turns to horror as you look down and dribble coffee on your blouse. It's a Monday morning. A terrible Monday morning. Despite your best efforts, wardrobe mishaps happen when you least expect them. Even celebrities, who have designers and stylists at their beck and call, are in need of a wardrobe cure at the last minute. Thankfully, we've assembled 20 must-have items for your most troublesome wardrobe malfunctions:
