Question: "Tell Us – How do you currently wash your bras?"

Are you in a destination wedding or need to wash your special bra before the Big Day? Then, you are a candidate to love and win a [Berry Ball and Bag set](#)! Some things are too important to mess up, so you should handle your bras with care. Follow these two steps by [August 5, 2011 at 11:59pm](#) to be eligible:

1. Follow [Affinitas on Twitter](#) OR like the [Affinitas Facebook Fan Page](#)
2. Leave a comment to answer the following question:
"Tell us – How do you currently wash your bras?"

We will announce (3) winners for this contest so your odds are great! Each winner will choose a Berry Ball and Bag set in their choice of color: pink, purple, or blue.

About the Berry Ball:

The Berry Ball & Bag is a clever set that lets you wash your bras, undies, tights, socks and swimwear in the washing machine – without them being destroyed. About to say "I do?" The set doubles as a convenient packing tool to prevent bras & swimwear from being crushed during destination wedding & honeymoon travels! Use the Berry Ball to stow your bras & swim tops; stash panties in the mesh Berry Bag. (And never worry about pesky security going through your unmentionables again!) Keep your delicates safe during travels, then use as a convenient laundry solution once back home.

While throwing bras into the wash will result in twisting, deforming, puncturing, underwire damage, pilling, scratching, tangling and more, bras are protected throughout the entire wash cycle safe inside the Berry Ball, maintaining shape, comfort and support. The Berry Ball additionally features a unique Scrubbing Ball specifically designed to clean bra cups from the inside, creating friction to both clean and aid in dissolving detergent as well.

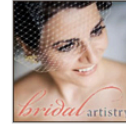

Also makes a great bachelorette party favor or bridesmaids gift! Use the vented Berry Ball for your padded, underwire, molded or push-up bras & swim tops (any top that needs to keep it's shape), and the mesh Berry Bag for bottoms, one pieces and non-structured tops – and say buh-bye to tangled, crushed, twisted, and otherwise destroyed delicates. The power duo saves you valuable time from painstaking hand-washing (which let's be honest, no one has the time for or wants to do anyway) and saves you money by extending the life of your existing wardrobe. The complete set retails for just \$13.99 in specialty stores throughout the U.S. and online at [ComfortHouse.com](#). Accommodating cup sizes 32A – 38D, in colors Pink, Purple or Blue.
